

## ONE DILEMMA x STRADIVARIUS

/9 February, 2026

The two denim styles embrace the low-waist trend, with a relaxed low-rise fit. One design, fully covered in rhinestones, stands out as the most dazzling piece in the collection. The skirts, also low-rise, feature stud details at the waistband and star motifs on the back pockets, mirroring the jeans.

The tops selection includes two asymmetric-neck T-shirts, a halter-neck top with rhinestone detailing, a puffed top with sparkling strap details, and a black knit top with lurex finished with an integrated scarf.

**One Dilemma x Stradivarius** is designed for days that start with no plan and end up becoming the best ones. Looks made for spontaneous moments, easy to wear from day to night, and created for a girl who is confident, sexy and full of attitude.
