STRADIVARIUS

RED IS HARD TO RESIST

/12 November, 2026

Lace and satin bring softness and sheen, while faux-leather pieces and fluffy textures add structure and volume. The collection pairs lace blouses with voluminous sleeves, mini dresses and corset-style tops with biker-inspired jackets and cosy faux-fur outerwear. Animal print adds a bold touch, while grey denim brings a more urban feel. The silhouettes play with contrasts: fitted pieces meet wide-leg trousers and oversized jackets. The result balances sensuality and attitude, with looks to suit every kind of celebration.

Accessories complete each look with details that turn heads. Long earrings, layered necklaces and sparkling accents bring a touch of light. For footwear, sleek stilettos in black or red elongate the silhouette. Small bags featuring beaded details, fringe, eye-catching finishes or special textures provide the perfect finishing touch. From a pop of colour to a head-turning look, Stradivarius invites you to celebrate and find the perfect outfit for every occasion.
